

MARAKANDA. MEDITERRANEAN HISTORICAL MARKETS

Geographical area	Mediterranean
Country	Italy
Site of intervention	Florence
Title	Marakanda. Mediterranean Historical Markets
Project goals	<p>The project comes about as part of the Marakanda European project, which sees the engagement of the Municipality of Florence together with six other Mediterranean cities for the revitalization of their historical markets. The specific goal of the LaGeS project is to restore economic vitality to Florence's historical markets, while also focusing on their unique and specific characteristics as urban spaces which create social and cultural relationships. The project led to the understanding of the impact on historical markets of current socio-demographic trends, the main problems faced by the stallholders and the markets' strengths and potentials in terms of their social and economic function.</p>
Duration	36 months (2012-2015)
Funding	53,000 Euros
Funding body	Municipality of Florence
Partners	<ul style="list-style-type: none">• Municipality of Florence
