

HERAT (AFGHANISTAN) SUSTAINABLE URBAN MOBILITY PLAN FOR THE ITALIAN MINISTRY OF FOREIGN AFFAIRS/DGCS

Geographical area	Asia
Country	Afghanistan
Site of intervention	City of Herat
Title	Herat Sustainable Urban Mobility Plan
Project goals	<p>Mobility and accessibility are two prerogatives in promoting an improvement of the quality of life in the city. The Herat Sustainable Mobility Plan is the result of a long and intense partnership between the University of Florence LaGeS and the University of Herat, the Ministry of Urban Development of the Islamic Republic of Afghanistan and the Municipal Council of Herat. The plan is the first implementation of the Herat Strategic Masterplan and aims to provide a transport system and a culture of mobility that support Herat's sustainable growth, while safeguarding environmental and cultural resources, strengthening social cohesion, and contributing to a better quality of urban life.</p>
Duration	24 months (2014-2015)
Funding	<p style="text-align: center;">426,000 Euros</p> <p style="text-align: center;">(joint funded with the Herat District 9 Development Plan)</p>
Funding body	<p style="text-align: center;">Ministry of Foreign Affairs Directorate General for Development Cooperation (DGCS)</p>
Partners	<ul style="list-style-type: none"> • Ministry of Urban Development and Housing • City of Herat
